TELLS OF TIENTSIN SIEGE.

H. C. HOOVER. ENGINEER. DESCRIBES BOXER ATTACKS.

He Says Quarrelling Between Boxers and Regular Troops Saved Foreigners Unless an Early Agreement Is Reached by the Powers, He Says, Another Uprising Is Probable.

H. C. Hoover and his wife were among the passengers who arrived yesterday on the Umbria. Mr. Hoover left Tientsin on Aug. 14 after two years of hard work there as the chief engineer of the Chinese Engineering and Mining Company and the Oriental Syndicate. These contables, in which the same group of American and English capitalists are interdeveloping the coal mines in the ave between them exclusive rights from the e devernment in those two previnces, Mr. Hoover is a Chinese Government official s well as engineer of the foreign companies. official title is "Engineer of the Depart-

several of his friends occupied a box at the Liduard Strauss concert in the Metropoittan Opera House last night. In the next box were several young men in evening clothes, and they were in a loyful mood. Their bilarity so bothered Mulkin that he finally went unto their proportion.

Patent or enamel leather. \$4: Edward Strauss concert in the Metropolitan Opera House hast night. In the test box were several young men in evening clathes, and they were in a loyful mood. Their bilarity so bothered Millikin that he imails went must their box and losged the young men to be quiet.

One chase y well. Bey said in this loss, leaving the door men. His hat and coar wore kanalized in the form black calfford their young men was before the concert was ever. When Million tose to go he found that some one had smalled this hat had stolen his noterioal. He went to Daw Myst Thirtieth street police station and told Capt Thorous that he was positive the young men were the guilty parties. Detectives were put on the case.

BABIST MISSION TO CHRISTIANS. High Priest From Egypt Expounds in New York the Doctrines of "Our Lord, Abdel Beha."

A meeting of Babists, or, as they prefer to called, "Truth Knowers," was held in East Fifty-second street yesterday afternoon at which were present a number of New York and Brooklyn people. The meeting was held in the pariors of a private house and the audience was an invited one. They were asked meet the new High Priest of the Faith, Mirza Asad 'Ullah, who has come as a representatve from the Master, (the Christ), and who expounded the doctrine through an interpreter. With Mirza Asad 'Ullah was Mirza Hassan Khorasani, a wealthy and dis-Ronhir, being a fluent English scholar with

Charles Kramer, "Diamond" Charlie Solomon, Cross-Eyed Seaftman are located and report back to the organization. ing them, "that Croker said that the work this exhibit.

morning, and many passengers were injured. Both cars were badly damaged. John McIntyre, Both cars were badly damaged. John McIntyre, one of the motormen, jumped to save blunself, but was badly cut and bruised. Rev. E. W. Thorageon, pastor of the Breadway Reformed Church, was taken to the General Hospital with a gushed chin. Miss Minnie Ackershock of Twenty-second avenue was badly bruised and Mrs. William Decths of Market street hadder right ear cut off. Her baby was thrown from her arms by the shock and a man fell upon it as it relied on the floor of the car. Many of the other passengers were more or less injured. Trolley cars are required to stop as they approach the crossing where the accident occurred. Both McIntyre and Charles Young, the motormen of the colliding cars, say they stopped their cars according to rule, but this is decided by eyewitnesses and those who were tribued.

TROLLEY SMASH IN YONKERS.

Through Plate Glass Window, YONKERS, N. Y., Nov. 18.—Two cars of the

Yonkers trolley road collided this evening. one of the cars left the track, flew across the payement and dashed into the large show window of a store. The passengers were window of a store. The passengers were thrown upon the floor of the cars, and several of them were cut and bruised. One man who was thrown from the platform was taken into a drog store where he soon revived. The necident occurred at Nepperhan avenue and New Main street, where the Nepperhan line branches off from the South Broadway line. When the Nepperhan car was rounding the corner a Broadway cir going in the opposite direction croshed into the side of it, throwing it from the curve. The car then beamed over the poverneut, a distance of lifty feet. The side of the Nepperhan car was crushed and all the glass in the windows smashed, the fragments flying among the passengers.

ANNAPOLIS, Md., Nov. 18 .- An order issued the Naval Academy restricts the third class a paper asking elemency for a classmate who was recently dismissed for "gought." This punishment is because the document was sent without official sanction. The entire third colless will therefore be pheed in the third conduct grade and its members will be allowed to visit the city only once a month.
